Subject: Interesting Call with EPA
Date: Wednesday, April 16, 2014 2:25:02 PM

Dear Paul-

Our call with EPA today focused on the (b)(5) Deliberative Process [REDACTED]

We spent a lot of time talking about this issue but it was left unresolved. They want to regroup and get back to us with their comments, but they have to run it up the chain. We will discuss with Cathy and Kris tomorrow.

(b)(5) Deliberative Process [REDACTED]

[REDACTED] Drew and I would like to discuss with you. I scheduled 30 min with you tomorrow (9-9:30) to discuss this issue, plus a couple of other actions.

Let us know if you have time.
thanks
patrice
