> Here is a track changes version that Gary sent to me earlier today (I made some minor formatting edits too). It is my understanding that ExecSec requested FWS add some explanatory sentences to pg 52 re Chao2, and the Region took the opportunity to tune up Table 3 and the associated explanatory text on pp 116-118.
>
> Gary did not believe these changes were substantive enough to warrant a resign but the additional language messed up the pagination so the signature page didn't match up anymore. He decided it was best to just have it resigned to avoid any confusion.
