Jen,

I had the project saved, so I figured I might as well get it done. I am sending you high resolution (450 dpi) panel parts for the FCOY and the Morts. FCOY first. Was figuring you can put them together for your poster.

Sincerely,

Mark

Hi Mark,

Would you please send me copies of the attached figures in high resolution? We would like to get them printed as posters when we do the public hearings for the proposed rule.

Thank you!

Jenn
