Date: Wednesday, March 09, 2016 2:54:12 PM

No, we won't be ready for this topic (Forest Plan Amendment) at the upcoming meeting because the 3 FS regions haven't worked this through in concert. But this needs to be a topic we are vigilant about. That is, we need to ensure that work on the Forest Plan Amendment progresses. We got a late start on coming to terms with this so we can't let it languish.
