**Subject:** Argument against delisting the Grizzly bear

Dear Mr. Servheen and the U.S.F.W.S. Grizzly Bear Recovery Program,

I am writing this email to protest the proposal to remove the Grizzly bear from the Endangered Species Act. Attached you will see my letter in full, explaining how I believe the delisting does not have a solid foundation.

Thank you for your time and effort in reading this letter.

Sincerely,
Victoria L. O'Connor
