All,

As a quick reminder, we have a steering committee meeting on Thursday, April 28 at 8:30. Call in numbers are below.

I recommend we focus our attention on assigning people to the sub-groups, establishing a timeline for them and developing our initial guidance to them.

Please review the attached minutes from the last meeting. Feel free to edit if you feel the need. The minutes include tables with the major themes and the sub-groups we assigned them to.

Talk to you all on Thursday.
