The Humane Society of the United States is the nation's largest animal protection organization, rated most effective by our peers. For more than 60 years, we have celebrated the protection of all animals and confronted all forms of cruelty. We are the nation's largest provider of hands-on services for animals, caring for more than 100,000 animals each year, and we prevent cruelty to millions more through our advocacy campaigns.

The HSUS is approved by the Better Business Bureau's Wise Giving Alliance for all 20 standards for charity accountability, and was named by Worth Magazine as one of the 10 most fiscally responsible charities.
