Jennifer,

Here's the latest. Please take a look. And revise contact info as necessary. Then I think we're ready to post it to the website.

Here's the latest version of the peer review plan that I saw. Jennifer, do you have the final version of the scope of work and contract? Once we have the final scope of work and contract we can revise the attached plan accordingly and I can work w/ someone to get it posted on our peer review page.

I was just looking at the region's peer review page and noticed, we have not posted our peer review plan. We need to do this as soon as possible. Seems we had a draft, that we now need to make consistent with the scope of work / contract.

Justin and Jennifer, is this something you can do?

Thanks,

Seth
