Thanks Jennifer. I'm on the call with Humane Society right now and just heard Matt Hogan say this same thing. I should have been more patient. :)

Thanks for the immediate response.

Hi Jennifer,

Sorry to bother you but I don't think Seth and Justin are in today. Can you tell me the status of the notice to reopen the comment period on GYE grizzly? I thought it was going to be a extension but since the comment period is scheduled to close next week I'm assuming R6 is planning for a reopener instead.

Any info you have would be appreciated.

thanks,
