Morning Jennifer and Wayne,

Even though Sierra Club is submitting 115K, they should be fairly easy since they are all the same, and I imagine non-substantive.

Have a great weekend!
Serena

Good Morning Kiersten,

Thanks for your email. Please see below from the *Federal Register* rule: https://www.federalregister.gov/articles/2016/03/11/2016-05167/endangered-and-threatened-wildlife-and-plants-removing-the-greater-yellowstone-ecosystem-population#addresses. Yes, an Excel spreadsheet would be preferred.

Electronically: Go to the Federal eRulemaking Portal: *http://www.regulations.gov*. In the Search box, enter Docket No. FWS-R6-ES-2016-0042, which is the docket number for this rulemaking. Then, click on the Search button. On the resulting page, in the Search panel on the left side of the screen, under the Document Type heading, click on the Proposed Rules link to locate this document. You may submit a comment by clicking on the blue "Comment Now!" box. If your comments will fit in the provided comment box, please use this feature of *http://www.regulations.gov*, as it is most compatible with our comment review procedures. If you attach your comments as a separate document, our preferred file format is Microsoft Word. If you attach multiple comments (such as form letters), our preferred format is a spreadsheet in Microsoft Excel.

Also attached, per your request, are the sign-in sheets from the public hearings in Cody, Wyo. and Bozeman, Mont. Personal identifying information, such as peoples' addresses, have been redacted. The checkmarks denote people who chose to speak. Please let me know if you have any additional questions.

Thanks!

Hi Steve,

Another follow-up question. Just left a message on your cell.

We have a huge list of folks who have signed our form comment letter. Will the Service accept a comment sheet with a spreadsheet of all the action takers, or do you need to have each letter individually with the person's name address etc on? There's over 115k, so it'll be sent via a cd

Hi Ryan and Steve,

I'm Kiersten Iwai with the Sierra Club. Ryan, I left a message on your phone earlier today. Is

the May 10 deadline the day that comments need to be received by the Service in Virginia, or can comments be postmarked on May 10? NPS comment periods have allowed comments to be postmarked by the deadline date, but other agencies have different rules.

Thanks!
