Don't think there is time in my schedule to meet face-to-face. Via conference call should suffice for my input, especially with the first deadline fast approaching and limited requirements for consideration.

All,
Given that I have been charged to organize the first meeting for this team, here is my first question:
Do you want to meet face to face, or via conference call, or video call through Go to Meeting?
Steve

Subject: Selection to Agency Coordination/Conflict Management sub-group of the CS Steering Committee

All,

You have been selected by the YES Conservation Strategy Oversight Committee to serve on the Agency Coordination/Conflict Management sub-group. Attached is a short description of your charge and the major themes identified by YES that your group will be tasked with addressing. We ask that you address this quickly as the first deadline for a report back to the Steering Committee is May 25th.

I ask that Steve Schmidt take the lead in coordinating the first meeting. One key task for the first meeting will be to decide on your sub-group chair person who will take over this role for future meetings.

Please contact any of the Steering Committee members or myself if you have questions or concerns. Both Delissa Minnick and Loren Grosskopf are members of your committee and the Steering Committee which should serve to help answer many of your questions.
