Good Friday to all of you.

I confess that I have been confused on this request and process. I now understand that we should proceed with our discussion as the Agency Coordination/Conflict Management sub-group.

Would it be possible to have our conference call on Tuesday May 24th?
I am pretty much available all day on Tuesday.
Please share your availability for a call on Tuesday.

We will try and fill out the attached table.

Thanks,
Steve

Subject: Selection to Agency Coordination/Conflict Management sub-group of the CS Steering Committee

All,

You have been selected by the YES Conservation Strategy Oversight Committee to serve on the Agency Coordination/Conflict Management sub-group. Attached is a short description of your charge and the major themes identified by YES that your group will be tasked with addressing. We ask that you address this quickly as the first **deadline** for a report back to the Steering Committee is **May 25th**.

I ask that Steve Schmidt take the lead in coordinating the first meeting. One key task for the first meeting will be to decide on your sub-group chair person who will take over this role for future meetings.

Please contact any of the Steering Committee members or myself if you have questions or concerns. Both Delissa Minnick and Loren Grosskopf are members of your committee and the Steering Committee which should serve to help answer many of your questions.
