That would be great. I have been swamped the last couple of weeks so am just digging out. I will send a note to the group saying that a doodle poll is forthcoming. I think we can go with a conf. call at least to get started.

Ken,
I wanted to check in on the scheduling of a first meeting for the habitat sub-group. If you would like I can set up a doodle poll for everyone for a conference call?
Thanks,

All,

You have been selected by the YES Conservation Strategy Oversight Committee to serve on the habitat sub-group. Attached is a short description of your charge and the major themes identified by YES that your group will be tasked with addressing. We ask that you address this quickly as the first **deadline** for a report back to the Steering Committee is **May 25th**.

I ask that Ken McDonald take the lead in coordinating the first meeting. One key task for the first meeting will be to decide on your sub-group chair person who will take over this role for future meetings.

Please contact any of the Steering Committee members or myself if you have questions or concerns.
Brian
