Steve, I am about to head out of town tomorrow and will not return until June 9th. I know there is a call scheduled on June 3rd. Although I am happy to chair this group once I return I will not be able to take this on until then. I can get a surrogate on the call on the 3rd and I am not sure how much work will be needed after tha. Will you be able to take this call on? Thanks, joe
