Ok. I will call him. Not Serena. She is clueless. I will advise on who else later.

He knows that you have retired, Chris, but he'd still like to pick your brain and knows that you will not be representing the FWS in any way. He'd also like to have someone from the FWS comment as well down the line. The story is a couple of weeks out, but he'd like to talk to you within the next week, Chris. I'm assuming that I should direct him to Serena for FWS comments, but I'll talk with Jennifer tomorrow morning.
