I thought I'd send you the more detailed comment code list for DPS and delisting to use if you do have more time. We need to have each of the substantive comments assigned these detailed codes also. Please let me know!
Thanks!

Subject: public comment summary

Hi Alex,

If you have some free time I would appreciate help with summarizing the public comments that were coded as delisting and DPS. Please let me know if you have time and if you have any questions.

Thanks!
