I sought clarity on this through an e mail to folks best positioned to respond: Mary Erickson, Joe Alexander, Trish O'Conner, and Scott Jackson. I targeted them because they can then exchange with the 3 respective Regional Foresters. That is where the answer should come from. I will let you know the response, which I have yet to receive. Thanks.

Subject: forest plan update

Dan,

Do we know what the plan is for updating the Forest Service amendment and what the process is? Is there any chance that we can have it done by August 8th? We may reopen the comment period at the end of August because the state plans and regulations are expected to be finalized by then.

Thanks!

Jennifer
