Subject:	Modeling Request for IGBST
Date:	Friday, July 15, 2016 3:37:58 PM

Frank,

The Grizzly Bear Recovery Office of the US Fish and Wildlife Service is requesting the Study Team to model the rate of decline and the power to detect the decline at independent female mortality rates of 9% and 10% for the Yellowstone grizzly bear population. If you have questions or need other information about this request please contact me or Jennifer.
