Hi Jennifer, can you tell me where exactly on the web site the peer review will be posted? Will any notice happen when it is posted?

Also, I would like to sign up for a time slot at the HBRC meeting July 7 in Missoula.

Thanks,
Bonnie

Hi Bonnie,
The Service is expecting to receive the peer reviews back from the contracting agency by the end of June. At that point they will be made available for the public on our webpage.

Hi Jennifer, at the last YES meeting, as you might recall, I asked about when the results of the scientific peer review of the proposed delisting rule would be available to the public. Chris S had said June, and I wanted to check in on that. Can you let me know the status?

Thanks,
Bonnie
