I apologize if I mixed up my dates! It would be nice to have a plan before our August 2nd YES meeting.

Good luck with the call!

In addition, whatever that mechanism should be it would need to be finished by November if we are successful in publishing a final rule by the end of the year.

Are you folks hoping for a clear statement of how the FS will resolve this issue or do you want the next step- a FPA that supports the CS? What is the significance of August 8th in the lager time-line?
