Hi Jennifer-

The charges you list were all moved the Regional Office funding string, so they did not come out of your regular budget. Do you think they need to be moved again to this new funding string? Or should I check with Seth?

Thank you! It should be charges from Leslie Travers (hearing officer), Big Sky reporting (Court reporter), and facility costs for the Holiday Inn both in Cody, WY and Bozeman, MT. The dates were April 11-12.

Ah, ok. I'll need to run some reports to narrow down those costs and then move them to this new account. I'll try to get something to you tomorrow to verify I'm moving the right expenses.

Hi Kaimy,
When we had the public hearings in April we had asked that the associated costs come from the delisting money rather than our regular budget. We were just notified that the targeted delisting money was allocated and I wanted to make sure those costs did come from the delisting money.
Thank you!
Jennifer

Hello Everyone,

Wanted to let you know that the delisting money has been allocated to your account, as discussed / agreed in previous conversations. I'm available to chat if needed.

Please feel free to go ahead and RDS funding if your folks have already spent time on these projects.

Thanks,
Seth
