Hello Team,

Here is the email on who will notify counties from our initial Yellowstone grizzly bear proposed delisting rule. Looks like we relied on the ID, MT, and WY ES FOs.

Alex, I'll let you coordinate that, if it needs to be done this time. Thanks!

Hello!

Better more communication than less! ☺ You may wish to shoot to FO's. Really appreciate you both.

That's right, FOs should send these out. They should have contacts. It appears I'm sending around information that nobody needs. :)

Justin,

I talked with Serena and Seth on Friday and I thought that the field offices were sending out the 'Dear Interested Party' letters. Is that the case or do we (by which I mean Chris) need to email the counties?

Thanks!

Jennifer,

Here's a county list, last updated in 2014. Serena may come up w/ something more up to date if she hears back from NAoC.

Justin,

I received this from the Listing program here in HQ. Looks like it may have been updated in Feb 2014. Hope it helps.
