All,

Attached are the submitted ms. and supplemental information on the Doak & Cutler response. I never heard back from the Editor on my pre-submission inquiry to fast-track this ms. So I went ahead with the submission and referred to our request in the cover letter.

I did find out that we would be allowed to post the Supplemental Information on our IGBST website if the ms. is accepted.

I will keep you updated.

Thanks for all the help!

Frank
