Hi Rebecca,
Just wanted to let you know that I posted the extended deadline information. Pretty much just copied it off your website. <http://www.igbconline.org/index.php/y-news>

hi Colleen,

I don't have a press release but this is what our website says

May 21, 2013 - The Service is providing the public an additional 30 days to review and comment on the Draft Revised Supplement to the Grizzly Bear Recovery Plan in the Greater Yellowstone Area. Previously submitted comments do not have to be resubmitted because they have been incorporated into the public record and will be fully considered in our final Supplement.

I think the regional office probably has an official press release if this isn't what you're looking for. Let me know if you want me to follow up with them. thanks, rebecca

Hi Rebecca,

Hope you're well and enjoying the thunderstorms and the rain, if not summer weather. Have you already begun planting in the ground? I'm hoping it won't frost this weekend...

I read in the Missoulian that the comment period for the GYE recovery plan has been extended. Is there a press release or some other announcement that I can post on the IGBC website?
