And you may want to read the actual criteria too. The application protocol doesn't make a whole lot of sense w/o the criteria to put it into context. I've attached a copy here. Only the first 5 pages need to be read.

thanks, rebecca

Subject: protocol review

Hi Guys,
If you could get your review of the protocol back to us today that would be very helpful as our times are getting short due to Christmas.
Thanks,
Chris
