Igbc just voted unanimously to approve CS, but nps has not agreed to sign yet, so technically not officially passed, yet.

Hi Gregg,

Know you may be tied up right now, but just checking to see if you, or someone with IGBC would be drafting a press release and posting the signed Conservation Strategy online? If so, I'd like to just link to it, like we did with the track changes version on our website. I'm also happy to send to my media contacts if you like.

If you don't plan to do a press release, please let me know when you can. Thanks so much and Merry Christmas!
