Subject: final conservation strategy to be posted to the IGBC

Hi Gregg,

Because the final Conservation Strategy and it's appendices have not yet been posted on the IGBC web page, and because a few more minor errors have been found, I propose that we wait to post the signed version after the IGBC meeting this week. I was unable to email you the final strategy and appendices because they were so large so I will bring them on a thumb drive to you tomorrow.

Thanks you!

Jennifer
