**Subject:** final conservation strategy to post to IGBC  
**Date:** Wednesday, December 07, 2016 12:17:25 PM

---

Gregg,

My attempts to send you the final 2016 Conservation Strategy and the Appendices to post on the IGBC webpage failed because they are so large. If you are able to access the documents that were emailed around to YES please use those, if not I will try to set up a dropbox. Please leave the track changes version of the final draft 2016 Conservation Strategy on the IGBC webpage also.

Thank you!

Jennifer
