Subject: BLM contact

Jennifer,

I asked Dan if he had any BLM contacts for the Sensitive Species designation, and he said he did not know of anyone other than Delissa Minnick. However, I talked to folks in our office who interact w/ BLM and the name Michael Philbin (Branch Chief, Biological Resources and Science, BLM, Montana/Dakotas State Office) was suggested. He may not be able to answer your questions directly, but if you give him context, he should be able to get you in touch with someone who you could talk to. Hope this helps!
