---

Kate,  
Here are the comments from the FS on the NPS proposed language and the alternative language for a future need and timeline. You should email Ken MacDonald to be added to the habitat sub-group list as he's the chair.  
Let me know if you have any questions!  
Jennifer

**Subject:** Working document

Can you please include me and Dave Gustine on the email list for the habitat sub-group. Dave and I would like to help provide comments/edits.

K
