Thanks Jennifer. I will talk this over w/ Dan ASAP. He had to rush off to find a care/rehab facility to move his mom to - she's being released from the hospital this afternoon and they recommend a month at a rehab facility.

Subject: public comments that I need FS help with

Hi Lisa and Dan,

Attached is a file with comments that pertain to the FS that I would like help with in both drafting response language to and making revisions to the documents where necessary. I have flagged which ones Scott and Tricia are already working on. If you could please let me know if you are able to help with the rest by tomorrow midday that would be great as I'm meeting with Scott in the afternoon and could add some to his list if necessary. Please let me know when would be a good time to work on them!

Thank you!

Jennifer
