Our lead for the LA black bear recently retired. Jeff Weller is our ES area supervisor for AR, LA, AL, and MS. Prior, he was the Lafayette ESFO Field Supervisor with responsibility for the bear. He is cc'd here.

Jeff, Matt is the Deputy RD for R6. Make sure to give him a hard time before you answer any of his questions.

Mike

Our GB states frequently reference the recovery criteria for LA Black Bear and the difference between that and GB. Is there someone on your team I could talk to who has a thorough understanding of the recovery plan?
