Brian,
Attached is a draft of the Conservation Strategy that includes all of the edits discussed at the YES meeting. I will continue to add edits as I receive them and track them in a different color as those still in need of review by YES.

Jennifer,

Those changes were included with the sub-group report that I sent last week.

Brian,

Do you have Chapter 2 with track changes incorporating all of the suggested edits from the population management subgroup?

Thank you,

Jennifer

Subject: Edits for CS

Jennifer,

Attached are all of the edits I have received to date regarding changes to the Conservation Strategy that we discussed yesterday at YES. Please include these in the new draft. There remain several other changes that will come in the next several days/weeks including: 1) GB values paragraph 2) Sensitive species language (USFS) 3) Updated language regarding 1998 baseline 4) Appendix C update (Gould) 5) potential changes based on Steering Committee review of public comment
