Team,

Here are the meeting minutes from from our last 3 meetings. I made one edit to the previously distributed June 24th notes based on clarifications we made at our July 12 meeting. On Theme #10, I added "CONSENSUS ACHIEVED".

I will be distributing recommended edits from the sub-groups soon. The population management sub-group requested an additional week and I granted their request.

Please let me know if you have any changes to these minutes.

Brian
