I concur with the changes as suggested--

*typo : the penaltament paragraph, last line: "my" should be "may"

All,

Attached are my recommended edits to Jodi's first draft. Both Jodi's and mine are in tracked changes.

All,

Here are the minutes from our June 24th meeting. Attached and at the end of the minutes is a new version of our theme list. The only think I added were numbers for each theme for clear cross-reference to our notes.

As always, if you have any additions or edits to the minutes, please let me know.

I am working our July 6th minutes next.

Brian
