but was unable to reach you.

Wanted to catch up after I had to leave the conference call last friday.

I had an assignment which I am almost done with, what was our timeline? What are next steps? I will be out of the office starting July 15 through August 1. So want to make sure you have my input before I leave.

Also wondering if you have any more information on the August 2 meeting of YES? I haven't received any more details and could use them to plan accordingly. Thanks. JB
