All,

It is apparent based on my polling that we will not be able to put together an in person meeting of the Steering Committee. At our meeting today, we discussed the need to plan at least two 2-4 hour phone conferences over the coming weeks to tackle Steering Committee issues. We would like to conduct the first conference call on June 24th from 8:30 to noon. Please let me know if you can attend.

I will have the notes from our meeting today out early next week.

Brian
