Subject: More information on the basis of 500 as a genetic minimum number
Date: Friday, September 18, 2015 2:29:24 PM
Attachments: [summary on the issue of population goals final.docx](#)

Since we discussed this 500 number at our meeting in Idaho falls, Frank and I wanted to provide more background on the 500 number as a genetic minimum population size and not a demographic population goal.
