Chairman Barnes,

We sent you the attached letter in June regarding the interest of the Blackfeet Nation in the issue of the potential to delist the Greater Yellowstone Ecosystem population of grizzly bears. I also left you a voicemail on this topic on July 6. I was hoping to have the opportunity to discuss this issue with you at your convenience. If you would like to have your assistant schedule a call, please ask them to call Kristine Martin at 303-236-7920 or respond to this email where she is copied. I can also be reached at the same number if you want to call me directly. Or if you want to respond to this email and let me know how best to get in touch with you, I can do that as well. Thank you and look forward to talking with you soon.
