Subject: State proposal with Triggers,
Date: Monday, June 08, 2015 1:35:09 PM
Attachments: [State response to USFWS GYA Updated Approach - May 8.doc](#)

Matt,

Wyoming asked me to resend this to you. It is the proposal the states sent you following our conference call on May 8.

Nothing has changed, including the different management scenarios (aka, triggers) at the end. Per our discussion on the May 8 call, you requested additional time to review those. So here they are again.

Please let me know if you have any questions.
