Subject: Re: Draft YES agenda, 4/30-5/1
Date: Monday, April 13, 2015 4:59:14 PM

All,

I appreciate your feedback on the upcoming agenda. We are finalizing in the next couple of days and will have a final out by the end of the week. There is one point of clarification that Frank caught early that I would like to bring to everyone's attention. The dates on the draft agenda sent out earlier by Tara are correct, however the days corresponding to those dates are wrong. Anyway, the correct dates are Thursday, April 30 and Friday, May 1.

YES members:

Please see attached draft agenda for the upcoming YES meeting April 30-May 1.

As you will see, there is available time on the agenda May 1, 10:00 a.m. to noon. Chairman Brian Nesvik is open to suggestions for topics/ideas for this time and is requesting feedback from committee members.

Please provide feedback directly to Brian **no later than April 15th** so the final agenda can be distributed prior to the meeting.
