Good deal....agree that we should talk after you have connected with everyone.

Don't worry about Noreen...was just keeping her in the loop but she will not attend.

Thanks. I've got several calls lined up so far. You and I have chatted quite a bit, so don't know that we need to set up a time (though it might be good to touch based after I visit with folks next week). What about Noreen? Is she likely to be heavily engaged on this or is her attention pretty well consumed by sage grouse?

Quick update on our planned meeting for Feb 18-19.

Chris Smith from WMI has agreed to facilitate our conversation. He intends to try to have a brief conversation with all of you prior to the meeting so expect a call from him.

I am working with Scott Talbot on the agenda right now and hope to have that out next week. Our intent is to start around 12 Noon on Feb 18 and adjourn by 12 Noon on Feb 19.

For the states, let me know if I left anyone off this list that you are intending to bring.

Everyone should have the hotel information.

Let me know if you have any questions.

Matt
