We have so far secured attendance for Chris and the two USGS members of the IGBC Study Team (Frank van Manen and Mark Haroldson).

The remaining members of the study team are:

MT - Kevin Frey
WY - Dan Thompson and Dan Bjornlie
ID - Daryl Meints
YNP - Kerry Gunter
GTNP - Steve Cain and Kate Wilmont
USFS - Dan Tyers
Wind River Tribes - Pat Hnilicka (a FWS employee)

I think it would be good for the state members of the study team to attend but they are your employees so did not want to be presumptuous and invite them.

Do any of you have concerns inviting the study team members from the NPS (Yellowstone and Grand Teton) and the USFS as well as the Wind River tribes?
