Hello! I am going to go through the habitat related proposed CS changes with just the Forest Supervisors on Monday. There is no plan for a public presentation. I asked Frank about exposing the IGBST to this issue. Frank thought it could be useful as a short summary. What do you think of that idea? Thanks!

hi friends,
Do you know if "possible CS revisions" is a topic at the YES meeting?
that's all.
thanks, rebecca
