Hey Rebecca,

Two things:

1. I attached an updated version of the 2014 food storage map since I was notified yesterday that as of June 1st, the Beaverhead NF will implement a Forest-wide food storage requirement. The new map reflects this.
2. As far as the CS, I haven't had a chance yet to focus on the habitat re-write, but I expect to have time next week. Will keep you posted.
