I don't think all the states have posted their regulations online (Idaho has and Wyoming has but I don't think MT has). So, I think we should probably be consistent (three links or three uploaded documents).

Hello All,

I was thinking of linking to each of the state game and fish websites, that way people could see their proclamation or management plan, as well as the MOA, i.e., <https://idfg.idaho.gov/conservation/grizzly-bear>. But, please let us know what you prefer.

Thanks!

Great! Hello Rob! I will be in touch later this week with the materials we will need to post on the grizzly website. I am cc'ing Serena since I believe posting on the website was part of her outreach plan.

Thanks!

Hey Alex,

When the FR publishes, we need to be sure to post the FR and the supporting docs on the regional grizz page too. Rob (cc'd) can help.

Thanks,

Hi Amy

The version of the Tri-State MOA currently in the surname package is unsigned. We now have a signed version and would like to include this with the notice on regulations.gov instead (as it is more final). Please see attached document for the signed MOA. Let me know if you have any questions about this document!

Thanks so much again for your help in getting this across the finish line,
Alex
