I will confirm that our response to the Tribal involvement issue is consistent with these talking points.

Hello All,

Attached are the TPs I used for my interview with Laura Zuckerman with Reuter's today explaining the Service's tribal outreach on the Yellowstone grizzly bear population proposed delisting rule, and in response to tribal allegations that the Service has failed to properly offer consultation. Laura is a solid reporter, and one of our main media resources in Idaho.

Happy to answer questions. Thanks!
