Sue Rupert is currently the Executive Assistant for the YES. Unfortunately, we do not know who had that role in 2009, nor were all the old meeting minutes filed.

We will make a quick review of the old boxes that we received - looking for 2009 notes. But we can't devote a lot of time to this effort. We will see if we can get someone to make a quick search in the next couple weeks.

Thanks, Mary

Hi Jennifer. Unfortunately, I do not take those notes. Since I work for the IGBC executive committee, it is the IGBC meeting notes I am responsible for.

I am cc'ing this response and your request to the Yellowstone Ecosystem Chair Mary Erickson and I'm sure she can head you in the right direction. Ellen
