I changed to "States, Tribal governments, the National Park Service..." as per your suggestion, Jodi.

This looks good but I would add in the sentence (2nd page, first full paragraph):

Nothing in this rule would alter, or in any way affect, the jurisdiction or authority of the States of Wyoming, **Montana or Idaho**, Tribal governments, the National Park Service, the U.S. Fish and Wildlife Service, or any other entity with respect to the regulation of hunting.

Or you could just say States...

Remember Yellowstone Park goes into both MT and Idaho as well as WY. JB
