This is a follow up to a previous request:

Hi Stacey:

Thanks again for returning my phone call. As we discussed on the phone, I'd like to amend my request to only include emails sent or received between May 1, 2016 and September 15, 2016 which contain the words "grizzly bear" and "hunting" by Matt Hogan, assistant regional director of the United States Fish and Wildlife Service Mountain-Prairie Region.

Please let me know if you can provide an estimate of when this request may be filled.

Thanks kindly,
Kaleigh

Hi Stacey:

Thanks very much for this acknowledgement. I tried giving you a call and left a voicemail, but feel free to follow up with me here if that's easier. Looking forward to discussing how we can expedite this.

Kind regards,
Kaleigh

To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

I would like copies of all emails sent or received between May 1, 2016 and September 15, 2016 which contain the words "grizzly" or "bear" or "hunting" by Matt Hogan, the assistant regional director of the United States Fish and Wildlife Service Mountain-Prairie Region.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. These documents will be used in the process of reporting stories for Motherboard, VICE Media's science and technology news website.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request, and I ask that this be processed in the "Media" fee category. I would prefer the request filed electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Kind regards,
Kaleigh Rogers
